

SHSM Program Planning Template

Teacher Name	Jamie Reid	reidjam@limestone.on.ca
School Name	Loyalist Collegiate & Vocational Institute	
Sector	Construction	
Existing SHSMs at the School	Arts & Culture. Health & Wellness, Hospitality and Tourism, Manufacturing	

SHSM Program Description:

The Specialist High Skills Major program in Construction gives students an opportunity to specialize, gain qualifications, and plan a career pathway in various areas of the Construction industry while still in high school. Students will acquire career-focused knowledge and skills before entering apprenticeship training, college, university, or the workplace. Students will develop skills, knowledge and experience in Architectural Design, Carpentry, Home Building, and Heating or Electrical areas of the construction sector. There will be opportunities to connect with industry professionals through field trips, guest speakers and other experiential learning activities. Students will receive training and sector recognized certifications, such as Working at Heights, basic Health and Safety, First Aid & CPR, lockout/tagout, and confined space awareness as part of the SHSM package. LCVI is proud to announce it is partnering with the Ontario Masons Training Centre to provide LDSB students a unique opportunity to gain experience in the masonry sector of construction.

SHSM Team

	Name	Responsibilities (specific tasks)
Student Success teacher	Tonia Moore	
School administrator(s)	Anne Marie McDonald	
Guidance teacher(s)	Corinna Dupuis	Providing updates for teachers on student progress tracking
