Description

Specialist High Skills Majors (SHSM) let students focus on a career path that matches their skills and interests while meeting the requirements of the Ontario Secondary School Diploma (OSSD).

Students enrolled in the The SHSM–Environment who have selected the **geographic information system (GIS)** elective will go through this story map to learn about the **basics of GIS**. By completing the assigned ArcGIS Online tutorials, and GIS Skills story map assignment, students can obtain their SHSM - Environment - Introduction to GIS certification. **It will take approximately 5 hours to complete this GIS elective.**
