

Fire Extinguisher Training

Program Overview:

The objective of our Fire Extinguisher Training is to inform, simulate and provide knowledge to employees in the safe and effective use of fire extinguishers in the workplace. All workers, supervisors and those with emergency response roles assigned by the company should take this course.

Training Content:

- Emergency plan and procedure
- Classes of Fires and Fire Extinguishers
- The Fire Triangle
- Inspections, Maintenance and Servicing of Extinguishers
- P.A.S.S. – Proper Operation of Extinguishers
- Practical Assessment

Course Duration:

- Two (2) Hours dependent upon number of participants
