### SHSM Program Description:

LCVI is the optimal environment for creative minds to come together. With a wealth of passionate staff providing a variety of arts-based courses, focus programs and extra-curricular opportunities, young artists have opportunities to explore the world through a creative lens.

Our staff have developed partnerships with a wide variety of local and national artists and arts organizations that allow our students to engage in a variety of professional arts mediums and liaise with industry professionals. We are passionate about sharing and celebrating our students' artistic work with the Kingston community through numerous public performances, exhibits and community projects each year.
